---

## PROJECTS

**Teenboost • 2020 :** Designed a mental health support mobile app for demographic groups of 11-18. teenagers.

**New India Bazar • 2020:** Redesigned e-commerce website for local ethnic grocery store.

**Sagarmatha Next • 2018:** Led a team of 6 to build a 1:50 scale architecture model of centre where waste from Mt. Everest will be up-cycled into art i.e located at 3750m altitude in Khumbu Valley of Nepal. The model was used for easy communication of ideas of the project with the local community and the building team.

**Kala Gaun (Vacation House) • 2018:** Led a team of 3 to build a detailed model of Kala Gaun project in 1:25 scale. This project was initiated by Sustainable Mountain Architecture (SMA) with chief architect Ar. Anne Feenstra. [Link](#)

**Raghuvendra Memorial Hospital • 2017 :** Designed 100 bed hospital with Ground Coverage Ratio (GCR) of 10,000 square feet in partnership with architect Manisha Shah.
